

Cycling for a cause

A group cycling around Australia over seven months raising money for mental health research arrives in Maryborough today.

Riders on the Great Australian Bike Ride, sponsored by Australian Rotary Health, will pedal into the Ned Kelly Motel at Tinana about 3pm, having travelled from the Sunshine Coast via the Cooloola Coast Road.

Tomorrow they'll head for Bundaberg via Hervey Bay.

Tonight the 26 riders and 13 support crew members will attend a dinner sponsored by the combined Rotary clubs of Maryborough at the Carriers Arms Hotel at 6.30pm.
