

THE KODJA PLACE NEWS

The Kodja Place continues to be a busy meeting place for locals and visitors alike. On Friday 21st August, the Rotary Club of Kojonup hosted the Great Australian Bike Ride in the courtyard at Kodja Place. The riders enjoyed a welcome lunch break before they continued their ride to Katanning in the afternoon. The ride is raising funds for mental health and has been on the road for seven months.

On Sunday 23rd August, the Kojonup Tourist Association hosted the launch of the new Information Bay Map and Guide and also their fantastic new 'all Kojonup' wrapping paper.

The Rose Maze mulching on Tuesday 1st September was a very productive morning with 13 volunteers turning up to mulch the rose beds, finish off the weeding and tidy up the pathways and edges. The Rose Maze is looking very well cared for thanks to all the volunteers who come along and put a little of their time into caring for it. Thank you to everyone who has been helping.

The students of Tincurrin School have sent some very special messages about their visit to the Kodja Place, here is a sample:

- * I like the blue ute * Thank you for the billy milo, I had fun
- * I had a super time doing the activities` * I hope to visit again one day
- * We had a great time looking around * I liked going in the bus
- * I liked how the Mia Mia was made * We all want to come back
- * I loved the rose maze.

Rosemary Cussons – KP Manager Kojonup Shire
