

Great Australian Ride

Macksville and Nambucca Heads Rotarians will open their homes to host a group of bike riders on their way around Australia, raising funds for the Australian Rotary Health Research Fund.

They will attend a combined meeting of the clubs at Macksville Country Club on April 27.

Travelling north, they will lunch in the Lions Park, Macksville, spending the rest of the day in the valley. Funds raised will go towards projects such as research grants, scholarships and doctoral fellowships for mental illness, indigenous health scholarships and evaluation of rural health services.

In the past, grants have gone to research into Parkinson's Disease, Childhood Leukaemia, Youth Suicide, Breast Cancer and many other diseases affecting our communities.

Mayor, Rhonda Hoban, will flag them on their way from Lions Park at 9am on Tuesday, April 28. They plan to follow Rodeo Drive to Wirrimbi, then move on to Nambucca Heads, on their way to Coffs Harbour.

People interested in meeting or supporting them should contact a Rotarian, or be at one of the venues mentioned. To join the Country Club dinner (\$25), phone 6568 1400 to book your place.
